Bluetooth Stereo Headset

S500

Stylish, lightweight, and colorful: The slender S500 is a high-quality headset and fashionable item of headgear in one: It boasts incredible sound quality and is equipped with the latest Bluetooth 4.0 allowing it to connect wirelessly to smartphones and all other Bluetooth-equipped devices – plus five color options means there's one to suit every taste. What's more, Rapoo's latest power-saving technology combined with the built-in li-ion battery offers up to 16 hours of continuous use.

▸ Bluetooth 4.0 audio transmission

Wireless high-fidelity enjoyment: The latest Bluetooth 4.0 technology offers reliable audio transmission with incredible sound quality for smartphones and all other Bluetooth-equipped devices. With 360° coverage and a range of up to 10 m, you can enjoy maximum freedom.

▸ Built-in omnidirectional microphone

Listen up: the built-in omnidirectional microphone is hidden in the headsets casing and offers a high-quality voice transmission.

▸ Up to 16 hours battery life

Low energy consumption: Rapoo's latest energy-saving technology combined with the auto-off function means you can use this headset continuously for up to 16 hours
